

2024 Naturalist Led Hikes

The public is welcome on these hikes, so bring your friends and family!

◆ **April 20, 2024 1:00pm-3:00pm; Master Naturalist Group Hike: Steyermark Woods, Hannibal**

The Mississippi Hills Master Naturalist Chapter will host an interpretive nature hike at Steyermark Woods Conservation Area in Hannibal on Saturday, April 20. The focus will be on Spring Wildflower identification. Participants will observe and learn about the conservation area, woodland habitat, flowering trees and ephemeral wildflowers in bloom.

◆ **April 20, 2024 2:00pm-3:00pm; Master Naturalist Group Hike: Steyermark Woods, Hannibal**

The Mississippi Hills Master Naturalist Chapter will also host a second hike on April 20th at Steyermark Woods which will start an hour later than the wildflower hike. This hike will be at a faster pace and will not have the more in-depth discussions about wildflowers seen along the trail.
