Monthly Hiking Trip

Third Saturday of Each Month at 9am

We will plan to hike 2.5-5 miles on any given hike. However, there will always be options of hiking more or less if you choose to do so. Different people hike at different speeds, and that is okay too.

Suggestions are to wear good hiking shoes, layer your clothes, and bring along something to drink (maybe a snack). At spots trail will may be uneven or muddy.

Locations will be announced each month in advance of the Hike.

The Public is welcome to join us!
